

Do you feel lucky?

With Lucky Break® Wishbones, everybody can take a crack at making their wishes come true!

That's right! No more "Whose turn is it this year?"

And no more waiting for the wishbone to dry on the windowsill. Yes, thanks to a revolutionary advance in plastic wishbone technology, making your wishes come true is a snap with our 99.999% realistic synthetic wishbones! And they make unique gifts, cool party favors and great stocking stuffers too!

The custom of snapping the turkey's breastbone - to bring good luck or fulfill a wish - is said to go as far back as the early Romans. From there it became an English tradition and was then brought to the New World. Word origin philosophers have said that this quaint ritual of breaking the wishbone resulted in the commonly used expression, "to get a lucky break".

It's time YOU got a Lucky Break! You deserve it! Start a new family tradition this holiday season! Be the first one on your block! Surprise your friends! Great for birthdays, weddings, parties and other catered functions. Fun for everyone. Anywhere. Anytime.

VEGETARIANS TAKE NOTE: NO FOWL - NO FOUL. It's totally unreal! Lucky Break Wishbones are entirely guilt-free!

RULES: Easy. Long half wins - or not. Make up your own rules. Who cares! Everybody wins! We could all use a Lucky Break! Win or lose, you can't help but smile.
